### Medical Specialties Distributors, LLC (MSD) Announces Master Distribution Program with I-Flow

---

**Stoughton, MA – August 10, 2011** – Medical Specialties Distributors, LLC (MSD), the nation's leading provider of infusion products, supplies, biomedical services and technology to the home infusion market, today announced it has entered into a master distribution agreement with I-Flow, a Kimberly-Clark Health Care Company.

Under the new agreement, MSD will be the primary distributor of I-Flow's Homepump Eclipse Infusion System in the United States and will manage distribution of the product into the alternate site healthcare market.

The Homepump product line is the market leader in elastomeric technology and has the widest range of sizes and flow rates, making it an ideal choice for IV Antibiotic delivery.

"As a company that is extremely focused on innovation and our customers, MSD is pleased to provide our customers with products from the market leader in elastomeric technology," said Richard Worthen, Executive Vice President of Sales and Strategic Relationships. "We see great opportunities for I-Flow's products with our national account base and independent customers" Worthen added.
